What we have kids styles up to size 6

Youth

Toddler

Infants
(pre-walk)

Infants will often curl their toes. Gently press down on top of their foot to get a more accurate foot length.

INSTRUCTIONS FOR USE:

To determine your child's foot size, print out this page at 100%.

Place the child's heel on the chart where indicated and measure to the end of the longest toe. If the toe is between numbers, that indicates a half size.
